The Honorable Claiborne Pell
United States Senate
Washington, D.C. 20510

Dear Senator Pell:

It was a pleasure meeting you at the American Library Association's reception at the Library of Congress, held to unveil the new traveling exhibit "Libraries Change Lives." Microsoft is pleased to be able to help sponsor this exhibit, which includes a multimedia personal computer running Encarta, our multimedia encyclopedia program.

All of us at Microsoft join librarians across the country in thanking you for your unwavering support over the years for public libraries. They are models of accessibility to information that we all can learn from as we move into the electronic information future.

If you are ever in Seattle, Washington we hope that you might find time to stop by our corporate "campus" to see some of the exciting new projects we are developing.

Sincerely,

Patty Stonesifer
Vice President, Consumer Division
